Company Values

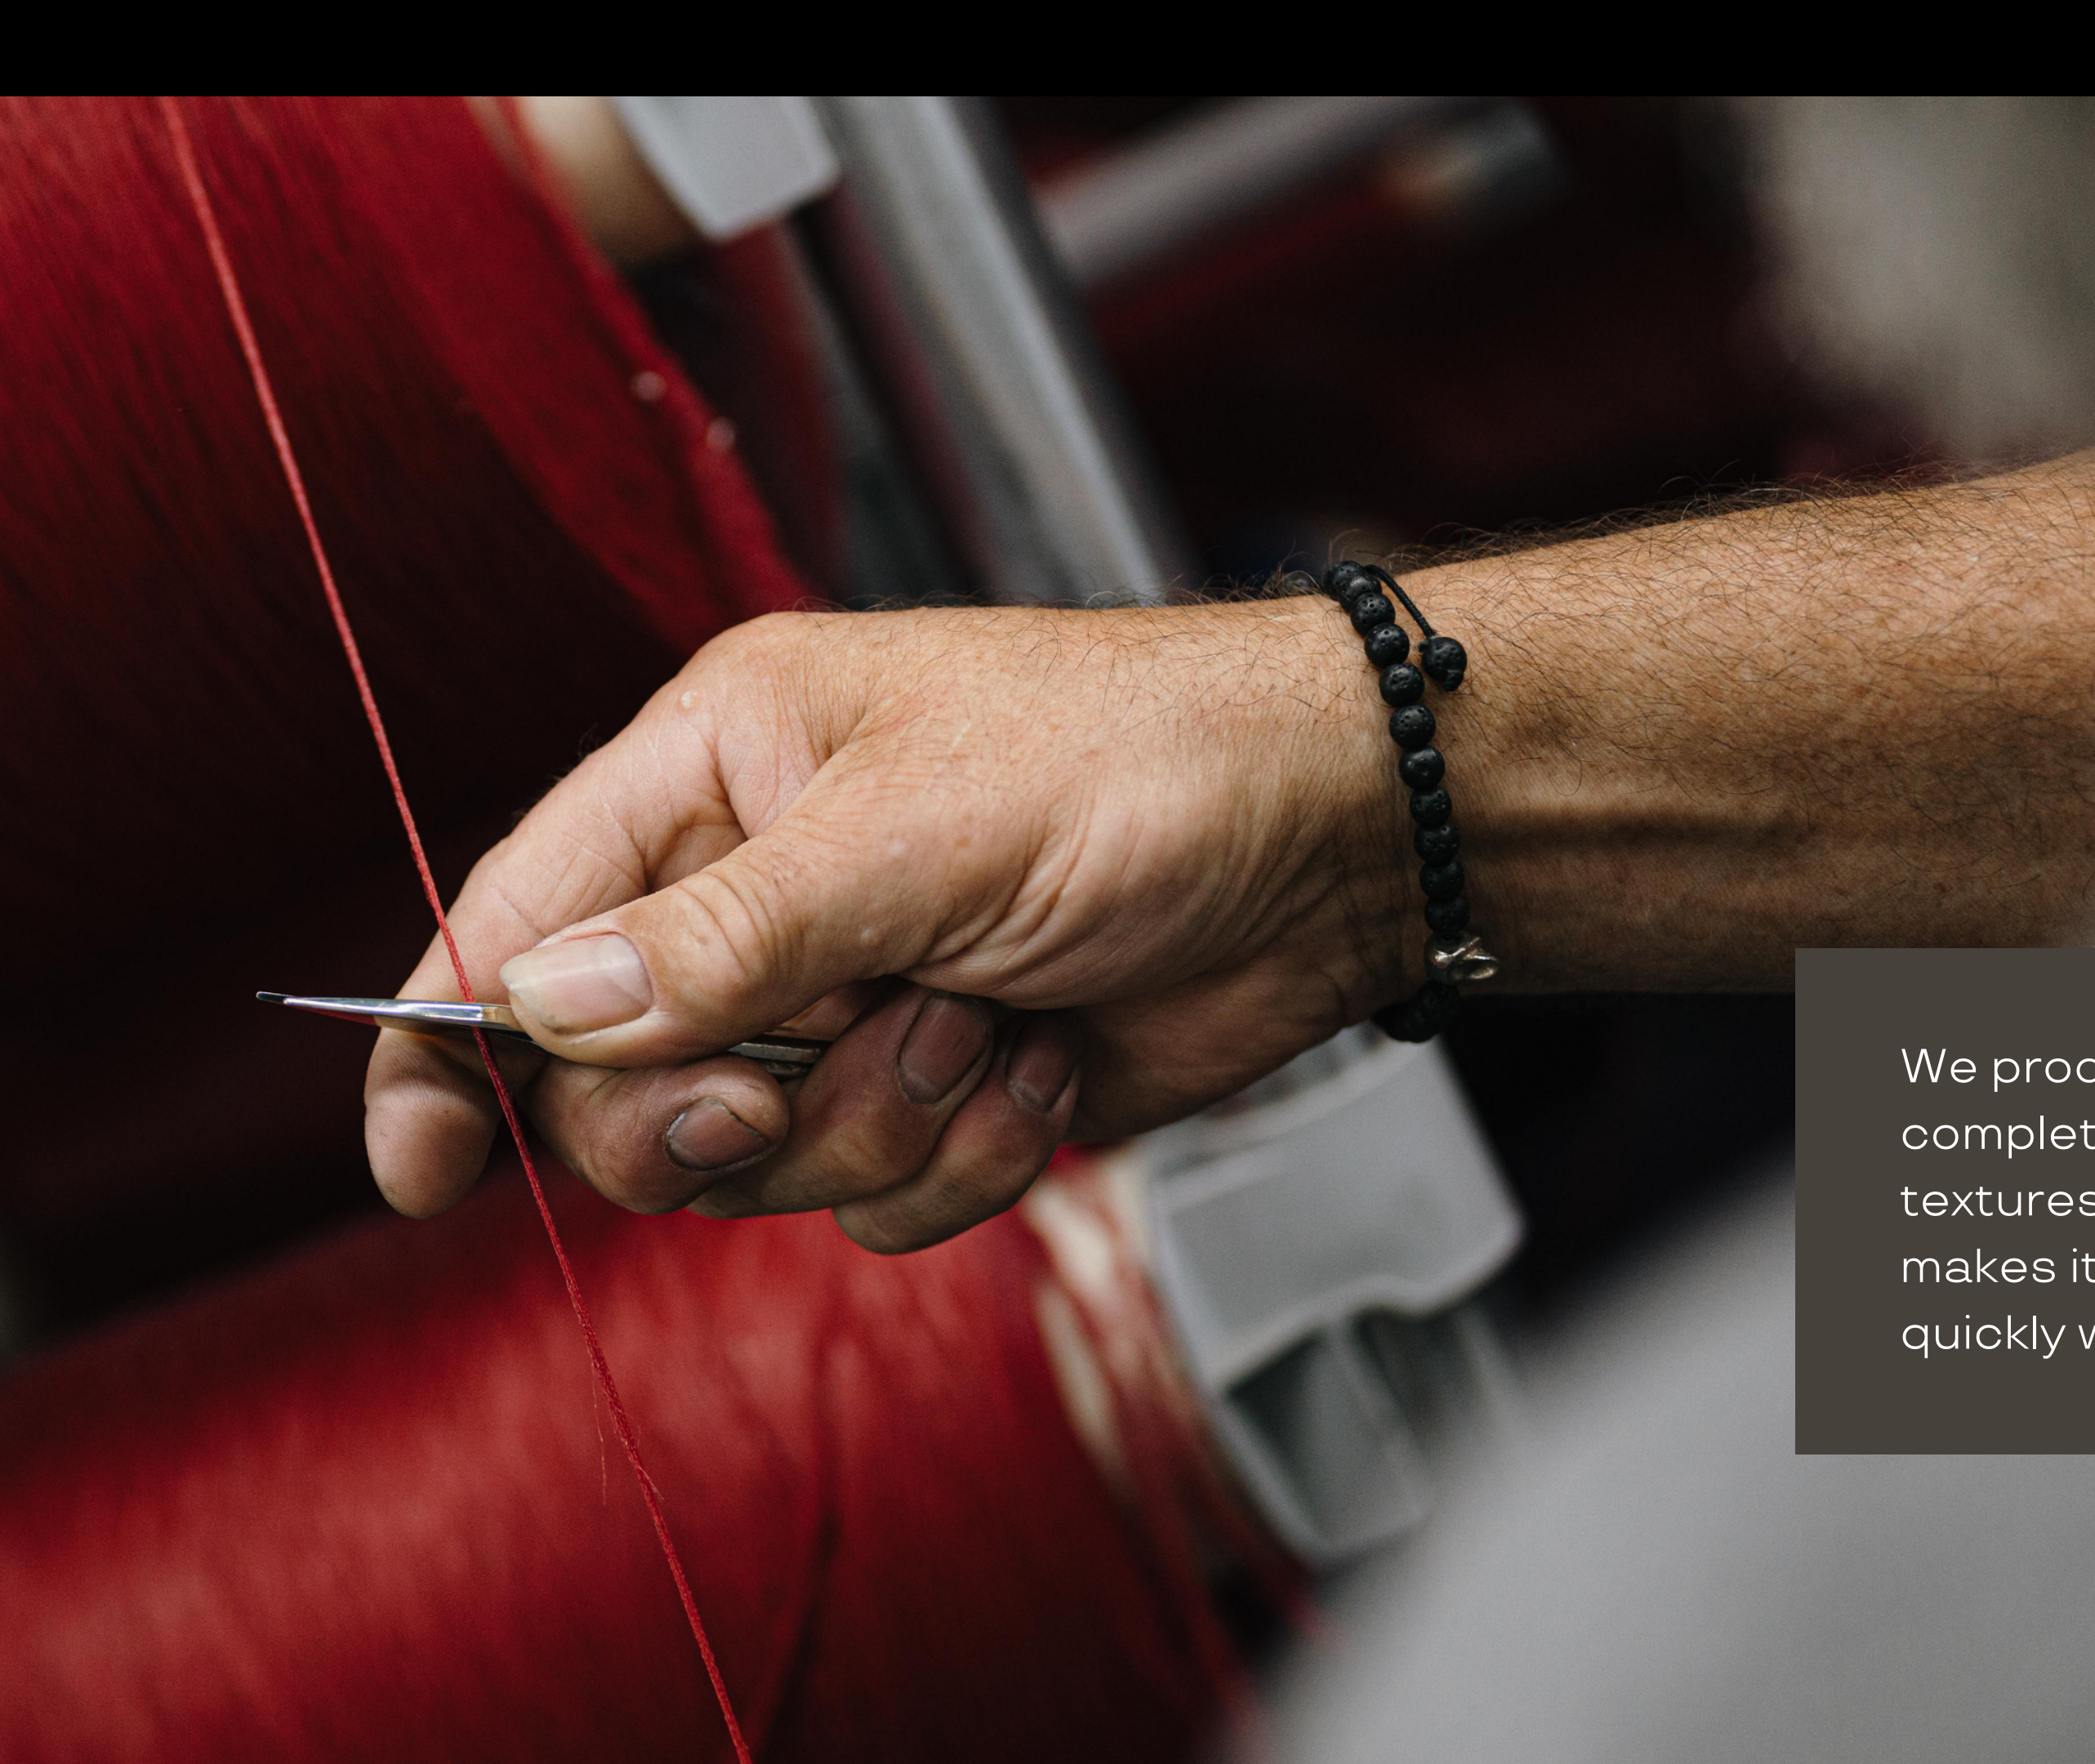

Alfa Carpets designs, develops, produces and delivers rugs and carpets. We are renowned for meeting the specific needs of our clients.

Our Vision & Mission

Alfa Carpets aspires to be the market leader in the production of affordable, high-quality polypropylene rugs and broadloom carpets. We pursue this goal by serving people, protecting the planet and pursuing profits in a sustainable, honest and respectful manner.

Yarns

We produce our own yarns. We have complete control over the quality, colours, textures and materials used. This also makes it possible to react flexibly and quickly when we receive orders

Certifications

What We Do

Alfa are experts in polypropylene rugs and carpets for indoor and outdoor use, we work with you to meet your every need and expectation.

Our Services

Value

The quality of our rug designs, yarns and manufacturing ensure added value for you and your clients.

Low Minimum Orders

How will your customers respond to certain designs and specific colours?
Our low minimum order quantities remove the risk in finding out.

Flexibility

Quantity, colour combinations, packaging, and even delivery are based on your needs.

Speed

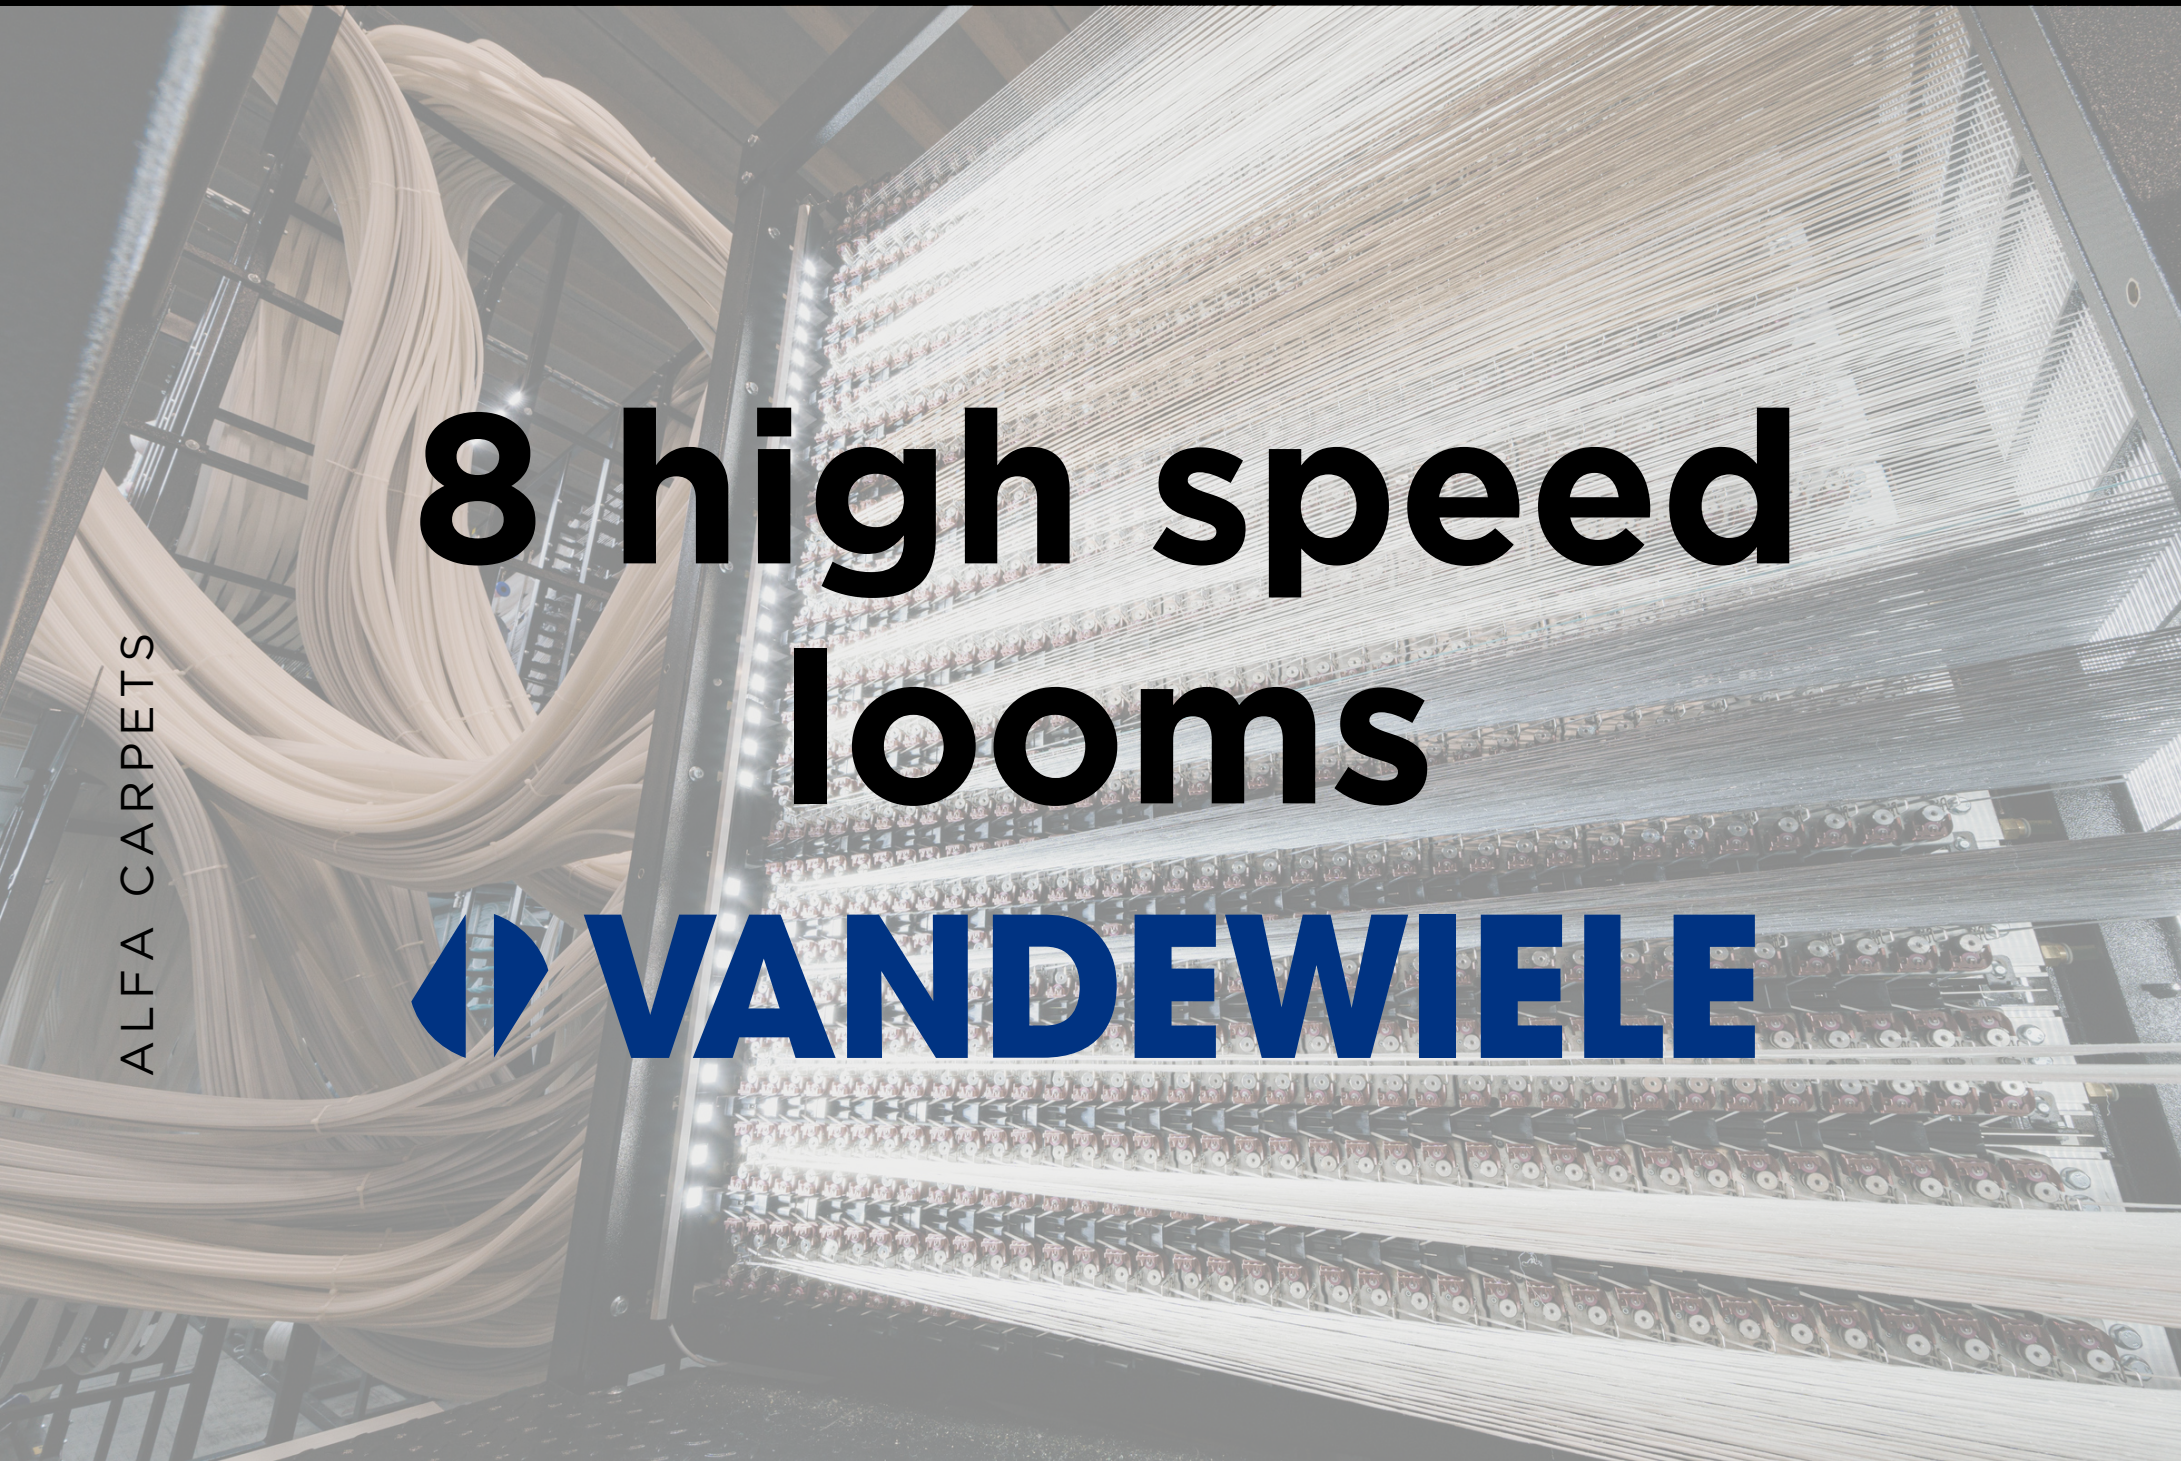

With short lead times of just six to seven weeks.

Reliability

Our approach to manufacturing and delivery is designed for reliability—as you define it.

Customised packaging and delivery

The best packaging? Delivery options?
You know what works best for you.
We provide it.
